# ALLTHREAD INDUSTRIES PTY LIMITED

## INDUSTRIES SERVED

MANUFACTURING

CONSTRUCTION &  
ENGINEERING

RAIL

STEEL

IT &  
COMMUNICATIONS

CLEAN ENERGY

MINING

OIL, GAS & ENERGY

WATER

## Company Details

**Address:** 15 Bellona Avenue  
REGENTS PARK NSW, 2143 Australia

---

**Ph:** +61 2 9645 1122

---

**Fax:** +61 2 9645 1133

---

**Email:** sales@allthread.com.au

---

**Web:** www.allthread.com.au

---

**ICN Gateway Company ID:** 26663

---

**Employees:** 36

---

**ABN:** 58 003 174 383

---

**Locations:** 2

---

**Local Manufacturer:** Yes

---

**Foreign Manufacturer:** No

---

**Importer:** Yes

---

**Exporter:** Yes

---

**NT CAL Accredited:** No

---

**Works in Remote Locations:** No

---

**Australian Indigenous Owned:** No

---

Allthread Industries are an Australian manufacture & Distributor, specialising in Construction and Major Maintenance packages. Allthread Industries success has been largely driven in the first instance by delivering a Quality & Competitive tender not solely based on price. Our real success has come from amercing our team into the goals, milestones and philosophies of the projects Key stakeholders. Our role largely becomes one of Consultation, Problem Solving and finally Logistical Management, there is never a them and us but rather a we in which each are a part of the whole team delivering the final outcome.

## Summary

A national supplier, Allthread Industries Pty Ltd have developed expertise in manufacturing, sourcing and supply to meet the needs of Major markets. Mining, Marine, Water, Transport and Energy. From bridges to wind-farms, LNG plants & pipelines, managed supply for the Embed (Concrete) package, Mechanical (Structural) or Major maintenance shutdowns or one offs we can offer a range of solutions to resolve most problems.

ISO14001, AS4801 & ISO 9001-2008, accredited our

products are produced according to strict quality controls and independently tested by Bureau Veritas (NATA. Certified). With 5 Engineers employed in the group we offer vast manufacturing & fastening knowledge with a seat on the Australian Standards ME029 committee and as an Autralian representative to the ISO world body

Consider Allthread Industries as your partner in the supply for your next project

## Description

Allthread Industries are an Australian manufacture & Distributor of specialised bolting. We are ISO 9001-2008, AS4801 & AS14001 approved and are familiar with the varied Australian standards & documentation required on major projects providing MDR, ITPs, WELDING ( WPS, PQR) on request. We are also able to meet the Road Authority standards. NSW RMS-B240 & Qld TMR MRS78.

All our product can be Independently tested and supplied with full documents and traceable.

Anchor, Foundation or Hold down bolts, welded caged bolts, U-bolts, threaded rod are the core business and our entry point for many of the projects we are involved with. Our capacity to supply and manage larger packages has developed in the last several years to include embedded steel fabrication ie: sump frames, cast-in plate edge protection etc.

Our partner company First Forge Australia, has extended our capabilities to supplying and manufacturing Hex headed Bolts 8.8 to 12.9. This is predominantly geared towards CE Structural

Bolt Assemblies, Heavy Plant & Equipment (Large sized Bolts), Track & Plow after-market for Excavators and Drilling rigs.

We manufacture and distribute Global Oil & Gas Fasteners to extend our product range into the O&G field.

Our supply now includes the distribution of selected products manufactured in Europe, Korea, Dubai & the USA.

Structural Bolt assemblies from UK, Italy, Poland & Korea.  
EN14399-3 HR8.8 & EN14399-4 HV 10.9  
Tower Bolts, Large sized Bolts M39-M64 Dast Richtline 021  
B7, L7, B8, B8M etc ASTM 193/194 A320 OIL & GAS  
Bolts & Studs  
Cooper & Turner Tunnel Bolting Systems  
Rail Systems, Bolts, Clips and cast-in ferrules  
Rock Bolts Rock Anchors  
Link Seals & Century Line Sleeves

Dowels (heat shrink applied on one half for de-bonding)  
Fabrication including Grating- galvanised and FRP (fibre reinforced plastic)  
Wilson Sleeves

Allthread have and are currently supplying Hex bolts, anchor bolts and cast-in items to Major Infrastructure, Wind Farms, Oil & Gas, Road, Rail, Bridge and Mining projects across Australia.

O&G Bechtel Wheatstone WA  
WindFarms in SA, Vic, WA & NSW  
Caval Ridge Coal QLD  
Groote Island NT Mining  
Tunnel & Rail in Brisbane C&T.

Allthread Industries' key strengths and features is our capacity to provide a traceable product from the mill to site, Where Quality is Assured not assumed.

## Associations

- > AEFEC
- > ATIC

---

## Products & Services

- > Hold-down bolts and bolt cages
- > Square and round bottom U bolts and rock bolts
- > Threaded rod, nuts, washers and chemical anchors
- > Cast-in items including plates, bolt boxes, fabricated drainage sections, sumps, light fabrication, scaffold jacks, bollards
- > Miscellaneous embed items such as concrete edge protection.
- > LinkSeals & Century Line Sleeves
- > Dowels (heat shrink applied to one half for de-bonding)
- > Grating-galvanized and FRP (fibre reinforced plastic)
- > Wilson Anchor Bolt Sleeves
- > Structural Bolt assemblies manufactured in Europe. CE marked EN14399 HR8.8 & HV10.9
- > Rock Bolts
- > Signage Anchors
- > Tunnel Bolt (Segment Systems)

## Industries Served

- > Manufacturing
- > Construction & Engineering
- > Rail
- > Steel
- > IT & Communications
- > Clean Energy
- > Mining
- > Oil, Gas & Energy
- > Water

---

## Major Clients

- > McConnell Dowell
- > Thiess
- > John Holland
- > Lend Lease
- > John Holland
- > Onesteel
- > VSL
- > Siemens Energy
- > Siemens Water
- > BMD Constructions
- > Consolidated Power

## Facilities

- > Thread Rolling 5mm-100mm.
- > Mild/Hi-Tensile/Stainless Steel.
- > Welding.
- > Fabrication
- > Distribution

## Accreditations

- > ISO9001
- > ISO14001
- > AS4801

## Previous Significant Projects

2016

Melb Rail Crossing Removal Project

\$1,000,000

Client: VSL

Post-tension Bolts Dia 32mm-75mm

---

2015

Ararat Wind Farm

\$2,000,000

Client: Downer

Foundation Bolt Cage Assy

---

2014

Permanent Building Wheatstone

\$600,000

Client: John Holland

Foundation Bolt cage assemblies

2016

Various. Dugald River Coal, Calval Ridge Coal,

Tan Burrup Nitrate Plant, Boggabri Coal

\$1,000,000

Client: Whittens Group

Anchor Bolt & Embed package (Cast-in Plate, Structural Fabrication))

---

2015

Wheatstone LNG (Current)

\$20,000,000

Client: BECHTEL

Anchor Bolt & Embed package (Cast-in Plate)
